KBI investigates allegation against Riley County Police Department officer

RILEY COUNTY – The Kansas Bureau of Investigation (KBI) is investigating after an allegation was made against an officer from the Riley County Police Department (RCPD).

At approximately noon Monday, June 1, the RCPD requested that the KBI investigate.

Preliminary information indicates that Monday at approximately 10:45 a.m., near 15th St. and Poyntz Ave. in Manhattan, a 27-year-old male flagged down an officer from the RCPD. The man reported that around 3:30 a.m. he saw a patrol car parked outside his residence at 15th St. and Humboldt St. He described that after he approached, the officer committed battery against him outside the residence, and then again at the apartment entrance.

The man also reported an injury, and was transported to a local hospital for assessment. He was treated and released.

A search warrant of the area was conducted. All local law enforcement agencies have been fully cooperative. At this time, the KBI has not yet identified any law enforcement officer who was at the location.

If anyone has information related to this investigation, they are asked to call the KBI at 1-800-KS-CRIME. Tips can also be submitted online at <https://www.kbi.ks.gov/sar>.

A thorough and independent investigation will be conducted into this allegation. The investigation is ongoing. No further information will be released at this time.
